**Field Agent's Corner:**

Father McGivney founded the Knights of Columbus, in 1882 to provide support and financial resources to Catholic men and families who were coping with the loss of their sole provider. As a Knights of Columbus member, you and your family are entitled to receive a complimentary financial needs analysis that helps you identify your family's financial risk and goals. If someone depends on you financially, life insurance is a topic you can't avoid. Protecting your family's future starts with taking steps to prepare.
